Item Title:

Interview, discussion, and evaluation of applicants interesting in filling vacancies on one or more of the following City of Bellaire boards and commissions: Board of Adjustment, Cultural Arts Board, Environmental and Sustainability Board, Evelyn's Park Conservancy Board, and LIFE Advisory Board.

Background/Summary:

On June 23, 2014, members of City Council made appointments to fill a majority of openings on City Boards and Commissions. At that time, vacancies remained on the Cultural Arts Board (one partial term), Environmental and Sustainability Board (one partial term), and the LIFE Advisory Board (one full term). Shortly thereafter, the City became aware of two resignations which created vacancies of partial terms on the Cultural Arts Board and the Evelyn's Park Conservancy Board. Then, earlier this week, the City was informed of a resignation which created a vacancy of a partial term on the Board of Adjustment.

To recap, the following vacancies need to be considered:

Board of Adjustment (one partial term ending on June 30, 2015)

- Dr. Aashish Shah (resigned)

Cultural Arts Board (two partial terms ending on June 30, 2015)

- Ije Akunyili (resigned)
- Christopher Butler (appointed to the Planning and Zoning Commission)

Environmental and Sustainability Board (one partial term ending on June 30, 2015)

- Kirstin Feazel (resigned)

Evelyn's Park Conservancy Board (one partial term ending on June 30, 2015)

- Marybeth Flaherty (resigned)

LIFE Advisory Board (one near full-term ending on June 30, 2016)

- Pauline Nolen (chose not to reapply)

At the conclusion of the June 23, 2014, Special Session of City Council, the City Manager's Office was directed to advertise for applicants interested in filling the vacancies that remained on City Boards and Commissions. A cut-off date for receipt of applications was established and set at 5:00 p.m. on Friday, July 25, 2014.

Eighteen (18) applications were received between May 16, 2014 (our original cut-off for 2014 boards and commissions openings), and July 25, 2014. Many of the applicants listed boards and commissions among their choices with no vacancies. Of the eighteen (18) applications, three were withdrawn. The applications for the remaining fifteen (15) applicants have been attached for your consideration.

Interviews have been scheduled in fifteen (15) minute intervals as follows:

Please write a brief summary of your qualifications for service on this Board, Commission, or Committee.: I am an interested citizen and longtime user of Bellaire's recycling services. When we lived in Southwest Houston we

would bring to Bellaire's old recycling dropoff recyclables that Houston did not then accept. Professionally, I have a science background and, when I was employed at the University of Houston, I was in charge of hazardous waste disposal for my lab. This involved working with the University's waste disposal facilities to ensure that our unwanted chemicals were safely consumed. I have always appreciated Bellaire's pragmatic attitude to recycling, best exemplified in the letter sent a few years ago that explained to citizens that the city pays for landfill space, but can sell recyclables. I believe that sustainability includes fiscal responsibility and long-term planning.

I have also been impressed with the number of parks that Bellaire has and the care taken of them; I believe that public parks will become ever more important as the population and the population density of our surrounding city of Houston increases.

Briefly describe previous community activities associated with the City of Bellaire, as well as any outside civic, charitable, and other community work.: My present community and charitable activities include serving as a longtime volunteer, board member and current board president of ECHOS, a faith-based health care access nonprofit in southwest Houston. I am a member of the PTO at both Herod Elementary and TH Rogers, where my children attend school, and volunteer at both schools. In addition, we are members and supporters of the Nature Discovery Center.

Do you anticipate any conflicts of interest arising in connection with your service on the selected Board?: No

If you answered yes and a conflict of interest did arise, how would you propose to resolve it?: I do not foresee any conflicts of interest.

Please write a brief summary of your qualifications for service on this Board, Commission, or Committee.: I am currently serving as the Events Chair for Evelyn's Park Conservancy. I have served on several boards and committees and have strong organization, communication, networking, speaking and writing skills. I believe my experience and passion for the park is best highlighted in my capacity as Events Chair, where I have diligently been working on development and events to raise awareness and revenue for the Park. Since taking on this role in May of 2013, I have created and implemented events to engage the community and help raise money, including meeting the \$500,000 challenge grant. More specifically, I have worked on the following events:
-Together with Patricia Ritter and Peta Rubenstein, which ultimately has become the "Events Team" we had the first Food Truck Picnic which had over 700 attendees and is the event which inspired the \$500,000 challenge grant.

-I created and implemented the Evelyn's Park Conservancy Teen Ambassador Program which has currently engaged over 50 teens in the program committed to community service for the park and is about to embark on its second year.

-I created the internship position for EPC, and we just completed a second term and are about to have a third intern.

-I have assisted with social media, the website, Facebook and started the EPC twitter and Instagram programs.

-I started and co-write the EPC Newsletter, "Inside the Loop."

-I created and helped implement "Too busy to cook week", which raised over \$7,00 for the park.

-I have assisted in organizing and staffing 3 separate home shows, including supervising homes, organizing guidelines and notebooks, and recruiting hundreds of volunteers and raising tens of thousands of dollars for the park

-I co-created and implemented with Kim Padgett and the EPC Events Team, the EPC Design Contest, which included an online t-shirt design contest with celebrity judges and a winning selection which was revealed at

Fashion Houston. The fashion t-shirts are sold at local boutiques including French Cuff, Magpies, Tootsies, Dimension and more as well as at EPC events.

-I created the fashion design contest Logo, "It's fashionable to be green", which we have continued to use to raise money and awareness at local stores who provide a percentage of the profits, including, M. Wiesenthal, Magpies, Mighty Aphrodite, Raspberry Rose and more.

-I helped plan a concert benefit "Backspace" with proceeds going to the park

-I worked with the team to help plan for Wine and Tapas to be held at Evelyn's Park

-I have helped plan, speak at and recruit several house parties for Evelyn's Park including one which I co-hosted. I have prepared guidelines for future similar fundraising events which have raised over \$100,000 for the park

-I have made several presentations about the park to local realtor firms including, Martha Turner, John Daugherty, and Bernstein Realty and also a presentation to the City of Houston.

-I have worked to develop relationships with local businesses and charities to help raise awareness for the park and assist with foundation grants, including Neighborhood Centers, KBR, and more.

-I created and implemented Pop-Up in the Park, a very successful local market which has engaged over 50 local business providers, hundreds of attendees and raised thousands of dollars for the park.

-I created and helped implement Family Fit Day and the coinciding "Watch Us Grow" tree program, which raised over \$50,000 for the park and engaged 52 new sponsors for the park. The event which focused on health, nutrition, fitness and wellness, had over 1,000 people in attendance and brought in many new volunteers

-I have also created or assisted in many other smaller projects including a watch the Trail riders event, the 4th of July parade and booth and more as well as assisted with marketing materials, constant contact emails and more.

As my experience indicates, I am very passionate and committed to bringing this iconic park to the City of Bellaire for our community and future generations to enjoy!

Briefly describe previous community activities associated with the City of Bellaire, as well as any outside civic, charitable, and other community work.: Working as Events chair this last year, has been my first volunteer experience in Bellaire in a large capacity, however, I have a great deal of community service experience. Following my decision to stop practicing law to stay home with my children, I have immersed myself in volunteer work and have served on the boards of READ Houston, the Shlenker School, and the Jewish Community Center. I was also president of the Shlenker School PTO board, where I raised tens of thousands of dollars to build new playgrounds, and started many new initiatives including a Grandparents program which still exists today. I have chaired many committees at the JCC including development, the camp committee, the teen committee and the Chai life program as well as served on numerous other committees including the art committee.

I have spent several years volunteering on teen leadership programs and working with non-profits including SEARCH, The River, Free the Children, the Aishel House, The Challenger Program, MD Anderson and more. I have also chaired J-serve, a national organization for teen community service for 5 years, created a program J-teen Art Scene, a curated exhibit to highlight local teen talent, and for the last 2 years have worked on developing a program called Target Teen Leadership, a leadership program I co-created with grant money from the Jewish Federation.

Do you anticipate any conflicts of interest arising in connection with your service on the selected Board?: No

If you answered yes and a conflict of interest did arise, how would you propose to resolve it?: N/A

Do you understand the time commitment on this Board, Commission, or Committee for meetings as well as preparation prior to meetings? (As a reference, previous Board and Commission members have stated their time commitment ranged, on an average, from 2 to 6 hours per month.): Yes

Please complete the following only if you are applying for reappointment to a particular Board, Commission, or

Committee. Do you have any thoughts regarding the responsibilities of and/or recent actions by your Board, Commission, or Committee?: N/A

Do you have any ideas on how the effectiveness of your Board, Commission, or Committee can be improved?: It would be my honor and privilege to work on and be a part of such an important board with such a worthy goal. While I am not privy to what happens at the board meetings, as Events chair and working closely with board members, my ideas would include improving communication and organization between the board and its committees so they can work more effectively together to support each other. Additionally, improving communications, collaboration, and coordination of events with the City and the other park boards, including Patrons, Parks Board and the Nature Discovery Center to work together to avoid duplication of events and to share resources to improve all the city's parks. Another goal would be to continue to build relationships with local businesses, highlight local talent and artisans. I believe the board can tap the talents of each of its members to have them work on the areas of their strengths towards the common goal, to create an incredible park, to restore green space to our community and to help the health and wellness of Bellaire Citizens. What attracted me to the City of Bellaire, is community. Bellaire has a small town feeling within a big city and I believe the Conservancy board should play a critical part in continuing this legacy by adding a peaceful and wonderful gathering space.

Please write a brief summary of your qualifications for service on this Board, Commission, or Committee.: I have had the privilege of living in two of the most well known cultural meccas in the world - London, New York City. As a member of the Southwest Houston Chamber of Commerce, I was tasked with organizing the Cultural and Arts Day of the Leadership 20/20 conference. I am a father of a daughter at Condit and have volunteered in numerous L.I.G.H.T.S. of Bellaire events.

In recent months, I have the pleasure of attending the numerous community-building events produced by the City at the new event pavilion with my wife and daughter. As a tax-paying resident of the City, I was gratified

to discover that these new additions to the neighborhood served to provide memorable evenings for families in this wonderful city of ours. I see tremendous potential for planning and production of future cultural events and initiatives in Bellaire and would be extremely proactive in seeing them to fruition.
