

CITY OF BELLAIRE TEXAS

MAYOR AND COUNCIL

JUNE 4, 2018

Council Chamber

Regular Session

7:00 PM

7008 S. RICE AVENUE
BELLAIRE, TX 77401

REGULAR SESSION - 7:00 P.M.

A. Call to Order - Andrew S. Friedberg, Mayor.

Andrew S. Friedberg, Mayor, called the Regular Session of the City Council of the City of Bellaire, Texas, to order at 7:00 p.m. on Monday, June 4, 2018. The Regular Session was held in the Council Chamber, First Floor of City Hall, 7008 South Rice Avenue, Bellaire, Texas 77401-4411.

B. Announcement of a Quorum - Andrew S. Friedberg, Mayor.

Mayor Friedberg announced that a quorum of the members of the City Council was present as set forth in the table below.

Name	Title	Status
Andrew S. Friedberg	Mayor	Present
Gus E. Pappas	Mayor Pro Tem	Present
Neil Verma	Council Member	Present
Trisha S. Pollard	Council Member	Present
Pat B. McLaughlan	Council Member	Present
Michael Fife	Council Member	Present
David R. Montague	Council Member	Absent

Also present were Paul A. Hofmann, City Manager; Zachary Petrov, Assistant City Attorney; and Tracy L. Dutton, City Clerk.

C. Inspirational Reading and/or Invocation - David R. Montague, Council Member.

David R. Montague, Council Member, was unable to attend the June 4th Regular Session. **Neil Verma, Council Member**, provided the inspirational reading for the evening.

D. Pledges to The Flags - David R. Montague, Council Member.

Council Member Montague was unable to attend the June 4th Regular Session. **Council Member Verma** led the members of City Council and the audience in the U.S. Pledge of Allegiance and the Pledge to the Texas Flag.

E. Recognition of Proclamation.

Issuance of a proclamation by Andrew S. Friedberg, Mayor, proclaiming the month of July 2018 as "Parks and Recreation Month" in the City of Bellaire, Texas, in recognition of the benefits derived from parks and recreation resources - Requested by Karl Miller, Director of Parks, Recreation, and Facilities.

Mayor Friedberg read the proclamation he issued proclaiming the month of July 2018 as Parks and Recreation Month in the City of Bellaire, Texas.

Karl Miller, Director of Parks, Recreation and Facilities, and Cheryl Bright, Community Relations Administrator, accepted the proclamation on behalf of the Parks, Recreation and Facilities Department.

Mayor Friedberg thanked the Parks, Recreation and Facilities team for all they did for the City.

Before moving to the next order of business, Mayor Friedberg announced that two weeks ago, City Council held a public hearing on an application for a specific use permit amendment to allow for the continued temporary use of the former Gordon Elementary/Mandarin Chinese School property to house Kolter Elementary School while it is being rebuilt following Hurricane Harvey. As announced at the public hearing, deliberation of that matter was anticipated to be on this evening's agenda. However, HISD has requested that it be rescheduled for City Council's next Regular Session in two weeks on June 18th so that they would have a bit more time to work on addressing citizen concerns that were raised at the hearing.

Mayor Friedberg advised that oral public comment on the matter remained closed following the public hearing, but written comments would continue to be accepted until noon on the Thursday preceding City Council's deliberation (i.e., by June 14, 2018).

Mayor Friedberg referred to a statement made in a local newspaper that the City Council had already taken action on the matter, which was not correct. Mayor Friedberg assured members of the audience that City Council had not taken such action nor could the City Council have in a public hearing.

F. Approval of Minutes.

Consideration of and possible action on the adoption of the minutes of the Regular Session of the City Council of the City of Bellaire, Texas, held on Monday, May 21, 2018 - Submitted by Tracy L. Dutton, City Clerk.

Mayor and Council - Regular Session - May 21, 2018 6:00 PM

Mayor Friedberg read the agenda caption and **asked members of the City Council if there were any corrections to the minutes as presented. Hearing none, he advised that the minutes were adopted as presented.**

G. Personal/Audience Comments.

Mayor Friedberg asked if there was any member of the public present that wished to speak during Personal/Audience Comments. There were no members of the audience that wished to speak. In addition, there were no written comments for the evening.

H. Reports:

1. City Manager's Report regarding communication, field and personnel updates, calendar reminders, and notes of appreciation - Submitted by Paul A. Hofmann, City Manager.

Paul A. Hofmann, City Manager, presented the City Manager's Report dated June 4, 2018, to members of the City Council. The report included an overview of communication updates, which included notices of updates to the Mayor's Blog on the City's two-step public hearing process and zoning and specific use permit matters; notice of the latest edition of The Boulevard (City newsletter produced in an email format monthly); notice of mechanical problem with equipment resulting in a slightly later pickup time for recycling; and notice of last Friday's Party at the Pavilion.

City Manager Hofmann advised that the "notify me" function on the City's website was used to communicate with residents about the June 18th Hurricane Preparedness Open House scheduled to start at 5:30 p.m. at the Bellaire Fire Station; traffic signal timing improvements and a dedicated right turn at the intersection of Bellaire Boulevard and Newcastle Drive; and detour changes posted by the Texas Department of Transportation related to their improvements to the Interstate 69 (I-69) and Interstate 610 interchange. The Mayor's Blog also advertised the June 18th Hurricane Preparedness Open House, and signage was posted near Bellaire Boulevard and Newcastle Drive regarding the referenced traffic improvements.

With respect to personnel activity, City Manager Hofmann announced that he made a formal offer that was accepted by Shift Commander Deacon Tittel to be the next Fire Chief for the City of Bellaire. Shift Commander Tittel will assume the duties of Fire Chief when Fire Chief Darryl Anderson retires in approximately one month. City Manager Hofmann provided an overview of the extensive process followed by the City in the hiring of a new Fire Chief.

Other references to personnel activity included a recent Public Information Officer training session hosted at the Bellaire Fire Station on May 23, 2018. Participants in the training session included, among others, Mayor Friedberg, Mayor Pro Tem Pappas, Shift Commander Deacon Tittel, and Assistant City Manager Diane K. White.

City Manager Hofmann announced three meetings that the City had scheduled to discuss the Federal Emergency Management Agency's Home Elevation Grant Information with those residents who were eligible due to substantial damage by Hurricane Harvey and damage that had occurred multiple times.

Photos were shown of new seasonal color recently installed by the Parks, Recreation and Facilities Department along City esplanades; police officer emergency rescue boat training; a recent birthday party held by the Bellaire Fire Department in conjunction with a fundraising effort auctioned and managed by the Bellaire Police and Firefighters Foundation; and a new self-checkout feature at the Bellaire City Library initiated by the Friends of the Bellaire Library.

City Manager Hofmann also provided an overview of upcoming events, including retirement celebrations for Receptionist Tillie Wiedemann (June 29, 2018, 3:30 p.m. at the Bellaire City Library) and Fire Chief Darryl Anderson (July 6, 2018, 3:00 p.m. at Crosspoint Church). Overviews of future City Council meetings and agenda items were also provided.

Kudos were given to the Bellaire Police Department on their participation in a Torch Run held in the Dallas-Fort Worth area which raised \$14,000 for the Texas Special Olympics.

In closing, City Manager Hofmann expressed a word of appreciation to Kristi Coffey who had served as President of the Patrons for Bellaire Parks for this last term. He noted that Ms. Coffey did a wonderful job and was a pleasure to work with.

Mayor Friedberg opened the floor for questions of the City Manager. Following questions, Mayor Friedberg announced that the City Manager's Report dated June 4, 2018, was concluded and continued to the next item on the agenda.

2. Monthly Financial Report for the Period Ending April 30, 2018 - Submitted by Terrence Beaman, Chief Financial Officer.

Terrence Beaman, Chief Financial Officer (CFO), presented the Monthly Financial Report for the period ended April 30, 2018. He advised that no major changes had occurred since his presentation of the FY 2018 Second Quarter Report to City Council on May 21, 2018.

Topics covered by CFO Beaman included overviews of revenues and expenditures in the General and Debt Service Funds and revenues and expenses in the Enterprise Fund. In general, revenues and expenditures were tracking as expected. CFO Beaman noted that if budget amendments were necessary, he would present those to City Council for consideration with the FY 2018 Third Quarter Report.

Mayor Friedberg opened the floor for questions of CFO Beaman. Following questions, Mayor Friedberg announced that the Monthly Financial Report for the period ended April 30, 2018, was concluded and continued to the next item on the agenda.

I. New Business:

Adoption of Ordinance(s)/Resolution(s):

Consideration of and possible action on the adoption of an ordinance of the City Council of the City of Bellaire, Texas, authorizing the City Manager and City Clerk of the City of Bellaire, Texas, to execute and attest, respectively, a Standard Form of Agreement with Datavox, Inc., for the purchase and installation of Integrated Audio Visual Systems for the Municipal Facilities Project in the amount of \$473,054.85 - Submitted by Michelle Jordan, Project Manager.

Mayor Friedberg read the agenda item and entertained a motion to adopt the ordinance as presented authorizing a Standard Form of Agreement with DataVox, Inc., for the purchase and installation of integrated audio visual systems for the Municipal Facilities Project in the amount of \$473,054.85.

Motion:

To adopt the ordinance as presented, authorizing a Standard Form of Agreement with DataVox, Inc., for the purchase and installation of integrated audio visual systems for the Municipal Facilities Project in

the amount of \$473,054.85.

{Moved by Michael Fife, Council Member, and seconded by Gus E. Pappas, Mayor Pro Tem}

Michelle Jordan, Project Manager, introduced the DataVox, Inc., representatives present this evening to answer technical questions. Those representatives included Mollie Ritter, John Layton, and Allen Allen.

Mayor Friedberg opened the floor for questions and discussion. Following questions and discussion, Mayor Friedberg noted a few minor scrivener's corrections for the record. One was at the signature block on the proposed ordinance, which would be revised for the Mayor's signature and not the City Manager's. The second was related to references in the ordinance to a "Contract and Standard Form of Agreement between Owner and Contractor," which would be conformed to the actual title "Standard Form of Agreement." He inquired as to whether there were any objections to either of the scrivener's corrections. Hearing none, Mayor Friedberg restated the motion:

"To adopt the ordinance as presented, with the two scrivener's corrections noted, authorizing a Standard Form of Agreement with DataVox, Inc., for the purchase and installation of integrated audio visual systems for the Municipal Facilities Project in the amount of \$473,054.85."

RESULT:	ADOPTED AS CORRECTED [UNANIMOUS]
MOVER:	Michael Fife, Council Member
SECONDER:	Gus E. Pappas, Mayor Pro Tem
AYES:	Friedberg, Pappas, Verma, Pollard, McLaughlan, Fife
ABSENT:	Montague

J. Community Interest Items from the Mayor and Council.

Community interest items from the Mayor and Council included commendations to City Manager Paul A. Hofmann on his thorough City Manager's Report and to Project Manager Michelle Jordan on her great grasp of the scope and depth of the City's Municipal Facilities Project; commendations were also given to the Parks, Recreation and Facilities Department on their proclamation for Parks and Recreation Month; expressions of congratulations were given on the City's successful Party at the Pavilion on Friday; expressions of congratulations were also given to Deacon Tittel on his job offer and acceptance as the City's new Fire Chief; expressions of thanks were given to the City Manager for the traffic signal improvements at Newcastle Drive and Bellaire Boulevard; and a reminder was given to residents to attend the City's Hurricane Preparedness Open House on June 18, 2018, at 5:30 p.m. at the Bellaire Fire Station.

K. Adjourn.

Mayor Friedberg announced that the Regular Session of the City Council of the City of Bellaire, Texas, was adjourned at 7:59 p.m. on Monday, June 4, 2018.

City of Bellaire, Texas

Proclamation

Whereas, parks and recreation are integral to communities throughout the country, including the City of Bellaire, Texas, and are vitally important to our overall quality of life, ensuring the health of all citizens and contributing to the economic and environmental well-being of cities and their surrounding regions; and

Whereas, parks and recreation programs promote health-conscious and active communities, aid in the prevention of chronic disease, provide therapeutic recreation services and benefits for people with disabilities, and improve mental and emotional health, while also enhancing a community's economic prosperity through increased property values, expansion of the local tax base, attraction and retention of businesses, and crime reduction; and

Whereas, parks and recreation areas are good for the environment, as they improve water and air quality, protect groundwater, prevent flooding, provide vegetative buffers to development, preserve habitat for wildlife, enhance the ecological beauty of communities and provide places for children and adults to connect with nature and recreate outdoors; and

Whereas, the U.S. House of Representatives has designated July as National Park and Recreation Month;

Now, Therefore, I, **Andrew S. Friedberg, Mayor of the City of Bellaire, Texas**, do hereby proclaim the month of **July 2018** as

Parks and Recreation Month

in the City of Bellaire, Texas, in recognition of the benefits derived from parks and recreation resources, and encourage and all residents to get out this month and enjoy them.

In Witness Whereof, I have hereunto set my hand and caused the seal of the City of Bellaire, Texas, to be affixed this 4th day of June, 2018.

Andrew S. Friedberg
Mayor
City of Bellaire, Texas

CITY OF BELLAIRE TEXAS

MAYOR AND COUNCIL

MAY 21, 2018

Council Chamber

Regular Session

6:00 PM

7008 S. RICE AVENUE
BELLAIRE, TX 77401

REGULAR SESSION - 6:00 P.M.

A. Call to Order - Andrew S. Friedberg, Mayor.

Andrew S. Friedberg, Mayor, called the Regular Session of the City Council of the City of Bellaire, Texas, to order at 6:00 p.m. on Monday, May 21, 2018. The Regular Session was held in the Council Chamber, First Floor of City Hall, 7008 South Rice Avenue, Bellaire, Texas 77401-4411.

B. Announcement of a Quorum - Andrew S. Friedberg, Mayor.

Mayor Friedberg announced that a quorum of the members of the City Council was present as set forth in the table below.

Name	Title	Status
Andrew S. Friedberg	Mayor	Present
Gus E. Pappas	Mayor Pro Tem	Present
Neil Verma	Council Member	Present
Trisha S. Pollard	Council Member	Present*
Pat B. McLaughlan	Council Member	Present*
Michael Fife	Council Member	Present
David R. Montague	Council Member	Present

Also present were Paul A. Hofmann, City Manager; Zachary Petrov, Assistant City Attorney; and Tracy L. Dutton, City Clerk.

*Council Members Pollard and McLaughlan arrived during the public hearing at 6:31 p.m. and participated in the remainder of the session.

Mayor Friedberg asked everyone to join him in a moment of silence in remembrance of the ten victims who were killed in a shooting at Santa Fe High School (Santa Fe, Texas) on May 18, 2018. The names of the victims were read by Mayor Friedberg as follows: Jared Black, Shana Fisher, Christian Garcia, Aaron McLeod, Glenda Perkins, Angelique Ramirez, Sabika Sheikh, Chris Stone, Cynthia Tisdale, and Kimberly Vaughan. Following the moment of silence, Mayor Friedberg asked that we not become so desensitized to such violence that we find ourselves forgetting these victims and who they were. He hoped their memories would inspire us to find real solutions to the problems giving rise to these incidents and to help us prevent them from happening repeatedly. Mayor Friedberg thanked first responders for their service in such situations, as well as their constant training and preparedness. He urged everyone to hug their children a little tighter and to never take our tomorrows for granted.

C. Inspirational Reading and/or Invocation - Michael Fife, Council Member.

Michael Fife, Council Member, invited her neighbor, long-time resident Patsy Teas, to provide the inspirational reading for the evening by speaking about some of her early experiences as a Bellaire resident.

Patsy Teas told several interesting stories about Bellaire. For example, she advised that W. W. Baldwin, founder of Bellaire, employed Papa Teas (Ms. Teas' husband's grandfather) to layout Bellaire's streets in return for land on which to grow nursery plants. Landscaping the Bellaire Boulevard esplanade was difficult. Two of Papa Teas' plantings were destroyed (eaten) by grazing cows.

Ms. Teas noted that the speed limit along Bellaire Boulevard in the early 1900s was eight miles per hour and that a member of the family had received a citation for traveling twelve miles per hour in the eight mile per hour speed zone. Also of note was a well-deserved honor bestowed on Papa Teas, which was a membership to the Royal Horticulture Society of England conferred for distinguished service.

Ms. Teas noted that Bellaire had many remarkable people who helped establish the Bellaire of today, such as Alfred Judson Condit, who recognized the need for a school in the early days and had his company build and maintain a school; and the Rubenstein Family for their generous gift to the City of Evelyn's Park.

In closing, Ms. Teas stated that the more she learned of the terrific people of Bellaire from the past and the present, the more she appreciated and loved Bellaire.

D. Pledges to The Flags - Michael Fife, Council Member.

Council Member Fife led the members of the City Council and the audience in the U.S. Pledge of Allegiance and the Pledge to the Texas Flag.

I. PUBLIC HEARING (SPECIFIC USE PERMIT AMENDMENT FOR TEMPORARY USE OF ELEMENTARY SCHOOL)**A. Reading of the Notice of Public Hearing - Tracy L. Dutton, City Clerk.**

Tracy L. Dutton, City Clerk, read the "Notice of Public Hearing" into the record. She advised that the notice was published in the legal notices section of the Southwest News on Tuesday, April 24, 2018, and mailed and posted on the City's official bulletin board on Wednesday, April 25, 2018. Notification by mail was sent to 132 property owners of record and assumed tenants located within 500 feet of the site of the specific use permit amendment (6300 Avenue B). One of the properties within 500 feet was a City park (Feld Park), the notice of which was given to the City Manager.

B. Summary of Public Hearing Procedure - Paul A. Hofmann, City Manager.

Paul A. Hofmann, City Manager, summarized the public hearing procedure for the evening.

C. Presentation of Proposal:

Public hearing on an application filed by Steven Gee, Houston Independent School District Project Manager, for an amendment to Specific Use Permit S-89, as required by Chapter 24, Planning & Zoning, Section 24-532 B. (2) a), to include an addendum that allows for the temporary use of the existing Gordon Elementary School site by Kolter Elementary School until such time that construction is complete on the new Kolter Elementary School campus and students are able to occupy the new building. The property is located at 6300 Avenue B, within the R-3 Residential Zoning District - Submitted by ChaVonne Sampson, Director of Development Services.

Mayor Friedberg read the agenda caption and invited Steven Gee, Houston Independent School District (HISD) Project Manager, to the podium to present HISD's proposal.

Steven Gee, HISD Project Manager, provided a quick overview of HISD's application to continue to use the Gordon Elementary School site as Kolter Elementary School (Kolter) until HISD could rebuild the Kolter campus. Mr. Gee advised that Kolter was a K-5 foreign language magnet school.

Currently, 640 students were enrolled at Kolter, with a staff of 56 members. Four buses transported students to and from the original Kolter campus, and five buses transported magnet students to Kolter. Most of the students were transported to the school via the four buses that picked up from the original Kolter campus.

A preliminary construction timeline was provided by Mr. Gee. He indicated that the expected completion date for the construction of the new Kolter campus was January of 2020. Once students were moved onto the new campus, HISD would immediately begin construction of the baseball and softball facility for Bellaire High School on the Gordon Elementary School site.

D. Public Comment.

Mayor Friedberg opened the floor for public comment on the HISD application. He advised that during this public comment period residents and interested parties would have an opportunity to comment only about the public hearing. Public comment on other topics would be received during the regular meeting immediately following the public hearing.

Following a brief overview of the time limit for public comment, **Mayor Friedberg** introduced the first speaker who had completed the sign-up sheet for the public hearing.

Scott Eastman:

Mr. Eastman addressed City Council and respectfully asked them to support the amendment for the sake of the students.

Kerri Welsh:

Ms. Welsh addressed City Council and requested that the students be allowed to remain at the campus on Avenue B, which was affectionately named "Kolter North." It was the exception rather than the rule that Kolter families, including her own, were currently living in their own homes. The children needed and deserved consistency and that allowing Kolter to remain on Avenue B until the new school was built would provide

much needed consistency.

Ritwick Agrawal:

Mr. Agrawal addressed City Council and noted that he lived on Spruce Street between Avenue B and the IH-610 Service Road. He indicated that he liked and supported the idea that the City could provide a home for Kolter. At the same time, he wished to raise a concern regarding Spruce Street, which had turned into a high traffic street. He recently had to wait five-six minutes before he could back out of his driveway due to the long line of cars waiting at the stop sign. In addition, Mr. Agrawal had observed cars zooming down Spruce Street from the IH-610 Service Road to get to Avenue B.

Mr. Agrawal described Spruce Street as a two and one-half lane residential street with cars parked on both sides of the street and no sidewalks. If the request was granted to allow Kolter to remain until 2020, Mr. Agrawal hoped that City Council would consider a partial closure of Spruce Street.

Maria Gomez-White:

Ms. Gomez-White addressed City Council and asked them to consider that Spruce Street had now become a cut-through high traffic street. She indicated that she had visited with neighbors on her street and that the neighbors were looking to request speed humps or a full- or partial-street closure. She advised that Cedar, Spruce, and Beech Streets were the only streets that went from the IH-610 Service Road all the way to Avenue B.

Ms. Gomez-White advised that neighbors were welcoming to Kolter, in her opinion, but wanted the cut-through traffic to be addressed in general and for the safety of the children living on the street.

Belinda Schmidt:

Ms. Schmidt addressed City Council regarding Elm Street, which dead ended at the Gordon Elementary School site. She indicated that she and her neighbors had an issue with HISD schools regardless of whether it was Kolter or Gordon. The neighbors were pleased to help out Kolter parents and families in their difficulty; however, the issue was safety and traffic.

Ms. Schmidt referred to four buses she described as luxury liners that blocked 100% of the traffic southbound from Bissonnet Street to Bellaire Boulevard during pick up and dismissal at the school, resulting in difficulty for Elm Street residents to get home. There was inadequate safety patrol, in her opinion.

Elizabeth Shebay:

Ms. Shebay advised that she, too, lived on Elm Street. In her opinion, the heavy traffic toward her end of Elm Street lasted about 15 minutes in the morning and 15 minutes in the afternoon. If traffic was a concern, she suggested that Elm and Merrie Lane be designated as one-way streets, which she believed would help with the traffic.

In closing, Ms. Shebay stated that 99% of Kolter parents were respectful in her opinion. She also indicated that Kolter had made every effort to try to get people to take the buses coming from old Kolter to new Kolter.

Mary Ellen Matthews:

Ms. Matthews addressed City Council and agreed that there was a traffic issue. She liked the suggestion of making one street a one-way in one direction and a parallel street a one-way in the reverse direction. She agreed that traffic was heavy for about 15-30 minutes.

Ms. Matthews stated that she believed a solution could be figured out that did not involve a great deal of money. She was in support of the Kolter students continuing to use the Gordon Elementary School site until their new school was constructed.

Mayor Friedberg asked if there was anyone else present that wished to address City Council during the public hearing. Seeing none, he summarized one written comment that City Council had received regarding the public hearing. The comment, from **Elise Neal**, also a resident of Elm Street, referred to parking problems that dated back to Gordon Elementary School. Ms. Neal stated that the problems were not addressed at that time, since Gordon was scheduled to be closed anyway. She explained that since Harvey, the neighbors had been patient because Kolter was only expected to be there in the short term. If extending the arrangement for another two years, Ms. Neal asked that something be done to address the parking problems.

Mayor Friedberg advised that copies of written comments received were distributed to each member of City Council for their consideration. The referenced written comment was received late this afternoon and would be provided to members of City Council either later in the evening or the next day. As with all written comments, Ms. Neal's comment would be included in the official record of the proceedings. After the public comment period, Mayor Friedberg continued to the next item on the agenda.

E. Questions from the Mayor and City Council.

Mayor Friedberg opened the floor for questions of HISD or staff regarding the application for an amendment to HISD's existing Specific Use Permit (SUP) S-89 to allow for the continued temporary use of Gordon Elementary School as an elementary school.

Following questions from the Mayor and City Council, **Mayor Friedberg** closed the public hearing.

F. Close of the Public Hearing.

Mayor Friedberg announced that the public hearing was closed at 6:55 p.m. on Monday, May 21, 2018. He advised that oral comment on the subject matter of the public hearing would no longer be received. City Council would accept written comments prior to their final deliberation on this matter. All written comments must be received in the City Clerk's office by noon on the Thursday preceding the meeting of final deliberation for inclusion in the public record of the proceedings. It was anticipated that final deliberation would occur on Monday, June 4, 2018; therefore, written comments should be submitted by noon on Thursday, May 31, 2018.

G. Adjourn.

Mayor Friedberg announced that the public hearing was adjourned at 6:56 p.m. on Monday, May 21, 2018.

II. REGULAR MEETING

A. Call to Order - Andrew S. Friedberg, Mayor.

Mayor Friedberg called the City Council of the City of Bellaire, Texas, to order at 6:56 p.m. on Monday, May 21, 2018.

B. Announcement of a Quorum - Andrew S. Friedberg.

Mayor Friedberg announced that a quorum of the members of the City Council was present as set forth in the table below.

Name	Title	Status
Andrew S. Friedberg	Mayor	Present
Gus E. Pappas	Mayor Pro Tem	Present
Neil Verma	Council Member	Present
Trisha S. Pollard	Council Member	Present
Pat B. McLaughlan	Council Member	Present
Michael Fife	Council Member	Present
David R. Montague	Council Member	Present

Also present were Paul A. Hofmann, City Manager; Zachary Petrov, Assistant City Attorney; and Tracy L. Dutton, City Clerk.

C. Approval of Minutes:

Consideration of and possible action on the adoption of the minutes of the Special Session (Pre-Budget Planning Workshop) of the City Council of the City of Bellaire, Texas, held on Thursday, May 3, 2018, and on the minutes of the Regular Session of the City Council of the City of Bellaire, Texas, held on Monday, May 7, 2018 - Submitted by Tracy L. Dutton, City Clerk.

1. Mayor and Council - Special Session (Pre-Budget Planning Workshop) - May 3, 2018 8:30 AM

Mayor Friedberg read the agenda caption and asked if there were any corrections to the minutes for City Council's Pre-Budget Planning Workshop held on May 3, 2018. Hearing none, **Mayor Friedberg announced that the minutes were adopted as presented.**

2. Mayor and Council - Regular Session - May 7, 2018 7:00 PM

Mayor Friedberg referred to the updated version of the minutes of the City Council Regular Session held on May 7, 2018, placed on the dais this evening by the City Clerk and updated earlier online. He asked if there were any corrections to that set of minutes. Hearing none, **Mayor Friedberg announced that the minutes were adopted as presented.**

D. Personal/Audience Comments.

Mayor Friedberg asked if there was any member of the public present that wished to speak during Personal/Audience Comments. There were no members of the audience that wished to speak. In addition, there were no written comments for the evening.

E. Reports and Presentations:

1. City Manager's Report regarding communication, field and personnel updates, calendar reminders, and notes of appreciation - Submitted by Paul A. Hofmann, City Manager.

Paul A. Hofmann, City Manager, presented the City Manager's Report dated May 21, 2018, to the City Council. The report included an overview of communication updates, which included a reminder to residents regarding the approaching deadline for applications to serve on the City's boards and commissions.

Two new hires were recognized by City Manager Hofmann as follows: Joy Lester, Permit Technician II, Development Services Department; and Jennifer Sessa, Assistant Library Director, Bellaire City Library.

The Touch a Truck event held on May 12, 2018, was noted to have been a great success. City Manager Hofmann expressed his appreciation of Evelyn's Park, the Bellaire Police Department, and Cheryl Bright, Community Relations Administrator, for their coordination and hard work on the event.

City Manager Hofmann reported on the interest the City had received for the next Bellaire Citizens Academy scheduled to be held in the fall of 2018. As of May 21, 2018, 44 citizens had applied, with a class capacity of 20. He noted that there were currently two classes of alumni from the Bellaire Citizens Academy and noted that the City had plans for a social event for the alumni in a few weeks.

Reference was also made by City Manager Hofmann to a recent Builder's Breakfast the City hosted in the CenterPoint Energy Community Center. Community Relations Administrator Cheryl Bright was introduced during the breakfast. Updates were provided on topics such as the Flood Hazard Mitigation Task Force and their recommendations, elevation requirements, contractor registration, and a possible increase in the general liability insurance minimums.

A brief overview of upcoming events and future Council meetings was provided, followed by an overview of the highlights of a recent Neighborhood Meeting held on May 15, 2018, to discuss the City's Spruce and Fifth Streets Project. City Manager Hofmann stated that approximately 25 business and property owners attended the meeting.

During the public discussion portion of the referenced Neighborhood Meeting, all property owners in attendance indicated that they did not like the angled parking concept and felt that they would not benefit from improved pedestrian accessibility. City Manager Hofmann advised that the project was suggested by staff to promote commercial redevelopment. The project was not intended to create a hardship or inconvenience for the property owners or existing businesses. He also indicated that staff was working to address the concerns related to accessibility and so far have been able to satisfy each of the concerns that had been expressed.

Mayor Friedberg opened the floor for questions from the City Council. Following questions, Mayor Friedberg announced that the City Manager's Report was concluded and continued to the next item on the agenda.

2. Presentation of the FY 2018 Second Quarter Report for the City of Bellaire, Texas - Submitted by Terrence Beaman, Chief Financial Officer.

Terrence Beaman, Chief Financial Officer (CFO), presented the Fiscal Year 2018 2nd Quarter Report to members of the City Council. He noted that the City was halfway through the current fiscal year and was beginning to prepare for the fiscal year 2019 budget.

CFO Beaman covered several topics in his report. With respect to personnel, CFO Beaman provided an overview of a personnel restructuring in the Development Services, Public Works, and Parks, Recreation and Facilities Departments. Reference was made to recruitment efforts to replace the City's retiring Fire Chief and future efforts to be made to replace the City's Assistant Police Chief, who had already retired. Of the 183 full-time equivalent positions, CFO Beaman advised that there were approximately 15 vacancies as of the end of March 2018.

With respect to the status of City General Fund expenditures related to Hurricane Harvey, CFO Beaman advised that the City had spent approximately \$1.6 million (including amounts spent in the last fiscal year). The City anticipated expending another \$1.1 million, and anticipated receiving reimbursements from the Federal Emergency Management Agency and insurance (Texas Municipal League) in the amount of \$2.3 million. The net effect on the General Fund was estimated to total \$350,000.

Enterprise Fund Hurricane Harvey expenditures totaled approximately \$315,000 (including amounts spent in the last fiscal year), with another \$175,000 anticipated to be spent. The City anticipated reimbursement of the expenditures in amount of \$400,000.

It was noted that when the General Fund budget was adopted, the City anticipated having a beginning balance of \$3.3 million. After the end of the 2017 fiscal year, the actual beginning balance was \$3.7 million. The beginning balance for fiscal year 2019 was projected to be \$3.96 million.

CFO Beaman advised that the City was currently over its General Fund allocated budget by \$25,000 with respect to revenues. For public safety, revenues related to emergency medical services were coming in below what was expected. In general, the City was tracking close to the allocated budget for revenues.

With respect to revenues in the Enterprise Fund, CFO Beaman advised that the City was tracking over the allocated budget by \$220,000. The City anticipated a beginning working balance of approximately \$600,000. The City had actually ended fiscal year 2017 with \$1.36 million. The anticipated beginning working balance for fiscal year 2019 was estimated to be \$980,000.

CFO Beaman advised that the City's Debt Service Fund was on track as expected with respect to revenues and expenditures.

Mayor Friedberg opened the floor for questions from the City Council for CFO Beaman. Following questions, CFO Beaman turned the floor over to Michael Leech, Director of Public Works, to continue the report with an update concerning the City's Capital Improvement Plan.

Michael Leech, Director of Public Works, provided an update of the City's Bonds for Better Bellaire Program projects that were currently underway for water and wastewater improvements, streets and drainage improvements, and sidewalks.

Mayor Friedberg opened the floor for questions from the City Council for Director Leech. Following questions, Mayor Friedberg announced that the Fiscal Year 2018 2nd Quarter Report was concluded and moved to the next item on the agenda.

F. New Business:

Adoption of Ordinance(s)/Resolution(s)

Consideration of and possible action on the adoption of an ordinance of the City Council of the City of Bellaire, Texas, authorizing the abandonment and subsequent sale of an interest in the twenty-five (25) foot wide alley owned by the City of Bellaire to the abutting property owners, being 3,125 square feet of an alley located between Lots 18 and 19, in Block 45 of Town of Bellaire, a subdivision in Harris County, Texas, commonly known as the twenty-five (25) foot wide alley located on the north line of the 5200 Block of Cedar Street, Bellaire, Texas; authorizing Petitioners Sagstex Investments, LP, and Wolfie's Swim School, LLC, to each purchase one-half (1/2) of said 3,125 square feet of an alley from the City of Bellaire, Texas; and authorizing the City Manager and the City Clerk of the City of Bellaire, Texas, to execute and attest, respectively, any documents necessary to effectuate such abandonment and sale including, but not limited to a Special Warranty Deed for said 3,125 square feet of land - Submitted by ChaVonne Sampson, Director of Development Services.

Mayor Friedberg read the agenda caption and advised that the request was the subject of a public hearing held on April 2, 2018. Mayor Friedberg entertained a motion to adopt the ordinance as presented authorizing the abandonment and subsequent sale of the subject alley to petitioners for the amount of \$155,000.00.

Motion:

To adopt the ordinance as presented authorizing the abandonment and subsequent sale of the subject alley to petitioners for the amount of \$155,000.00.

{Moved by Neil Verma, Council Member, and seconded by Gus E. Pappas, Mayor Pro Tem}

Mayor Friedberg opened the floor for discussion on the motion. Discussion ensued among members of the City Council regarding the value of the property; form of ownership (i.e., fee simple or something less than fee simple); possible reasons to convey the property to the petitioners as opposed to holding the property for future City use; proposed use of the property by the petitioners (i.e., to enhance parking for their businesses); and alternatives, such as a lease agreement. Staff advised that the petitioners were not interested in a lease agreement and preferred to purchase the alley.

Following discussion, **Trisha S. Pollard, Council Member, offered an amendment to the motion.**

Amendment (No. 1):

To amend the sales price to \$165,250.*

*Average of parcels 2 and 5 from the third-party appraisal of the property.

The amendment failed due to the lack of a second.

Mayor Friedberg opened the floor for further discussion. Following discussion, Mayor Friedberg restated the motion and action was taken by members of the City Council.

Subject: Financial Analysis for Seven Months Ended April 30, 2018

This financial analysis compares the actual year-to-date revenues and expenditures of the General Fund, Enterprise Fund, and Debt Service Fund to their respective allocated budgets.

The allocated budget accounts for cyclical trends in revenues and expenditures versus allocating a straight 1/12 of the annual budget per month. The allocated budget is based on the actual revenue/expenditures incurred by month as a percentage of the total revenue/expenditures incurred by year for the most recent five years.

GENERAL FUND

General Fund Revenues:

FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget
\$20,783,835	\$17,314,510	\$17,323,697	\$9,187

For the seven months ended April 30, 2018, the General Fund collected 83% of its total budgeted revenues and is over its allocated budget by \$9,187, or 0%.

The following table shows the individual revenue categories and each category's contribution to the \$9,187 variance.

Revenue Category	FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget
Property Tax	\$13,118,646	\$12,949,915	\$12,965,298	\$15,383
Franchise Tax	1,424,734	832,118	736,828	(95,290)
Sales Tax	2,348,555	1,359,356	1,378,699	19,343
Permits/Fees/Licenses	1,143,400	675,136	672,309	(2,827)
PARD Charges & Fees	887,400	388,626	401,473	12,847
Public Safety	436,400	266,849	211,684	(55,165)
Fines	730,000	447,650	390,288	(57,362)
Other	694,700	394,860	567,118	172,258
Total	\$20,783,835	\$17,314,510	\$17,323,697	\$9,187

A discussion of individual revenue categories follows the discussion of total revenues.

Property tax makes up the largest category of revenue in the General Fund at 63% of all FY 2018 budgeted revenues, followed by sales tax at 11% and franchise taxes at 7%.

Property Tax

The timing of property tax collections is driven by the January 31 due date, after which penalties are incurred. As reflected in the following chart, Property taxes are weighted heavily toward the December to April time period due to the aforementioned due date.

The City collected 99%, or \$12,965,298, of its budgeted property tax revenue during the seven months ended April 30, 2018, which is over the allocated budget by \$15,383, or 0%.

FY 2018 property taxes are budgeted for \$13.1 million, an increase of \$0.8 million over FY 2017's \$12.3 million. The budgeted increase in property taxes is driven by a general tax rate increase of \$0.0127 per \$100 of assessed value, or 5.0%, and a 1.9% increase in taxable values.

Franchise Taxes

Franchise taxes of \$736,828 for the seven months ended April 30, 2018 are under the allocated budget by \$95,290, or 11%. Electric franchise tax payments are generally received monthly. Gas, telephone, and cable franchise tax payments are generally received quarterly. The variance from allocated budget is primarily due to gas franchise payments. Historically, we have received a quarterly payment in April, however, this year we received the payment in May. If the May payment for the quarter ended March 31, 2018 had been received in April, Franchise taxes would be under the allocated budget by \$5,012, or 1%.

Sales Tax

Sales tax revenue of \$1,378,699 for the seven months ended April 30, 2018, is over the allocated budget by \$19,343, or 1%.

Permits, Fees, and Licenses

Development permits, fees, and licenses of \$672,309 are under the allocated budget by \$2,827, or 0%.

Permit revenue had been running under the allocated budget for the first six month of this fiscal year, however, building permit revenue in April spiked to \$62,000, which is more than double the average monthly permit revenue of the other months in this fiscal year. Building permit revenue makes up 62% of the permits/fees/license revenue budget. As reflected in the following chart, building permit revenue is volatile from month-to-month. Other categories of building permit revenue exhibit similar monthly volatility.

PARD Charges & Fees

As reflected in the following chart, Parks and Recreation fees are weighted heavily toward the summer months when Camp Paseo is operating and the swimming pools are open daily.

Parks and Recreation fees of \$401,473 are over the allocated budget by \$12,847, or 3%.

Public Safety

Public Safety revenue of \$211,684 is under the allocated budget by \$55,165, or 21%.

Ambulance fees make up 80% of the public safety revenue budget. As reflected in the following chart, ambulance fees are volatile from month-to-month. Ambulance fees appear to be following seasonal trends, but trailing historical averages and the budget. We expect this trend to continue; therefore, we reduced our FY 2018 projections for public safety revenues by \$87,000, or 20%, to \$347,000.

Fines

Fines revenue of \$390,288 is under the allocated budget by \$57,362, or 13%.

Municipal court fines make up 96% of the fines revenue budget. As reflected in the following chart, municipal court fines are generally lowest in December and generally peak around March. Municipal court fines appear to be following seasonal trends, but trailing historical averages and the budget. We expect this trend to continue; therefore, we reduced our FY 2018 projections for fines revenues by \$98,500, or 13.5%, to \$631,500.

Other

Other revenues of \$567,118 are over the allocated budget by \$172,258, or 44%.

As illustrated in the following table, \$82,905 of unbudgeted TML reimbursements related to Hurricane Harvey is the largest contributor to the variance. Additionally, interest income substantially exceeds budget due to higher than projected interest.

\$20,359,848	\$11,574,072	\$12,236,235	\$662,163

For the seven months ended April 30, 2018, the General Fund expended 60% of its total budgeted expenditures and is over its allocated budget by \$662,163, or 6%.

As reflected in the following table, the expenditure category causing the majority of the variance from allocated budget is non-payroll disaster related expenditures, which is over the allocated budget by \$1,247,073.

Expenditure Category	FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget

Total	\$20,359,848	\$11,574,072	\$12,236,235	\$662,163

A discussion of individual expenditure categories follows the discussion of total expenditures.

Salaries and benefits make up the largest category of expenditures in the General Fund at 71% of all FY 2018 budgeted expenditures, followed by purchased services at 20%.

Salary and Benefits

Salary and benefits of \$8,063,582 are under the allocated budget by \$164,270, or 2%.

Purchased Services

Purchased services of \$2,042,586 are under the allocated budget by \$331,696, or 14%.

Some of the larger departmental level variances contributing to purchased services expended during the seven months ended April 30, 2018 being below the FY 2018 allocated budget include:

- City Manager's Office – Other professional expenditures were \$427 for the seven months ended April 30, 2018, as compared to a 5-year average of \$7,426. The current year expenditure is 2% of the FY 2018 budget while we are 58% through the fiscal year. The annual budget includes \$9,800 for a council facilitator for the May pre-budget planning session, \$2,500 related to the Bellaire Citizens Academy, and \$12,500 for other professional services.
- Information Technology – Communications maintenance expenditures were \$1,599 for the seven months ended April 30, 2018, as compared to a 5-year average of \$17,317. The current year expenditure is 16% of the FY 2018 budget while we are 58% through the fiscal year.
- Fire – Other technical services expenditures were \$13,697 for the seven months ended April 30, 2018, as compared to a 5-year average of \$24,168. The current year expenditure is 29% of the FY 2018 budget while we are 58% through the fiscal year. The annual budget includes \$33,000 for EMS patient billing fees. The billing fees are based on ambulance billing collections, which are also under budget.
- Police – Vehicle maintenance expenditures were \$26,796 for the seven months ended April 30, 2018, as compared to a 5-year average of \$31,062. The current year expenditure is 45% of the FY 2018 budget while we are 58% through the fiscal year.

- Police – Rental equipment expenditures were \$1,946 for the seven months ended April 30, 2018, as compared to a 5-year average of \$3,590. The current year expenditure is 27% of the FY 2018 budget while we are 58% through the fiscal year.
- Parks (Maintenance) – Other contract labor expenditures were \$5,963 for the seven months ended April 30, 2018, as compared to a 5-year average of \$8,969. The current year expenditure is 33% of the FY 2018 budget while we are 58% through the fiscal year.
- Parks (Maintenance) – Parks maintenance expenditures were \$195,830 for the seven months ended April 30, 2018, which is 38% of FY 2018 budget while we are 58% through the fiscal year. Over the prior five years, we averaged 54% as of April 30.
- Parks (Recreation) – Instructor pay was \$21,666 for the seven months ended April 30, 2018, as compared to a 5-year average of \$37,172. As previously reported, significantly contributing to this variance are checks totaling \$10,436 to a single vendor that were recorded in FY 2017 as an expenditure, and then were subsequently voided in FY 2018. Ideally, the checks should have been voided effective FY 2017 so the credit to the expenditure account would have offset the payment in the same fiscal year. The mismatch in timing results in an understatement of current-year instructor pay expenditures. The amount is immaterial as it relates to the overall financial results of the fund, and we do not propose any adjustment to the FY 2017 financial statements. Had the checks not been voided, instructor pay for the seven months ended April 30, 2018 would be \$32,102, which is still only 32% of the budget as compared to 42% prior year average spending pattern.
- Library – Rental equipment expenditures were \$935 for the seven months ended April 30, 2018, as compared to a 5-year average of \$1,918. This is a matter of timing of the copier rental payments, as the payment used to be an annual payment and the current year billing is set up for quarterly installment payments. This variance appears to be due primarily to timing.
- Public Works (Streets) – Engineers, planners, arborists was 21,875 for the seven months ended April 30, 2018, as compared to the full year budget of \$103,000. The current year expenditure is 27% of the FY 2018 budget while we are 58% through the fiscal year. Over the prior five years, we averaged 44% as of April 30. This is a matter of timing of invoices for the City engineer.
- Public Works (Streets) – Vehicle maintenance was \$11,402 for the seven months ended April 30, 2018, as compared to a 5-year average of \$13,604. The current year expenditure is 42% of the FY 2018 budget while we are 58% through the fiscal year. Over the prior five years, we averaged 56% as of April 30.
- Public Works (Streets) – Paving maintenance, which has an annual budget of \$35,000, was \$8,956 for the six months ended March 31, 2018, which is just 26% of the FY 2018

budget while we are 58% through the fiscal year. Over the prior five years, we averaged 55% as of April 30.

Supplies

Supplies of \$578,324 are under the allocated budget by \$71,166, or 11%.

Some of the larger departmental level variances contributing to supplies expended during the seven months ended April 30, 2018 being below the FY 2018 allocated budget include:

- All Departments – Natural gas expenditures are a contributor to supplies being under the allocated budget. The City's primary use of natural gas relates to heating the swimming pool at the Bellaire Family Aquatics Center. Over the past five years, the City has incurred an average of 97% of the full year expenditures for natural gas by April 30; however, as of April 30, 2018 the City has only spent 78% of its FY 2018 \$35,030 budget. This translates into approximately \$6,656.
- All Departments – Electricity expenditures are a contributor to supplies being under the allocated budget. The City's primary use of electricity in the general fund relates to street lights, lighting and climate control in facilities, and powering pool equipment. Over the past five years, the City has incurred an average of 61% of the full year expenditures for electricity by April 30; however, as of April 30, 2018 the City has only spent 59% of its FY 2018 \$339,300 budget. This translates into approximately \$6,786.
- All Departments – Fuel expenditures are a contributor to supplies being under the allocated budget. The City's primary use of fuel in the general fund relates to police patrols, public works, and Fire department response. Over the past five years, the City

has incurred an average of 56% of the full year expenditures for fuel by April 30; however, as of April 30, 2018 the City has only spent 53% of its FY 2018 \$130,500 budget. This translates into approximately \$3,915.

- Information Technology – Hardware and software expenditures were \$42,361 for the seven months ended April 30, 2018 compared to an annual budget of \$115,000. The current year expenditure is 37% of the FY 2018 budget while we are 58% through the fiscal year.
- Police – IT supplies expenditures were \$4,891 for the seven months ended April 30, 2018, as compared to a 5-year average of \$7,672. The current year expenditure is 27% of the FY 2018 budget while we are 58% through the fiscal year.
- Parks (Aquatics) – Small tool and minor equipment expenditures were \$482 for the seven months ended April 30, 2018, which is 10% of the \$4,700 annual budget. Over the prior five years, we averaged 54% as of April 30.

Other Expenditures and Transfers Out

The “other expenditures and transfers out” category is mainly the monthly transfers from the General Fund to (1) the Capital Improvement Fund and (2) the Vehicle and Equipment Replacement Fund. Other expenditures and transfers out in the seven months ended April 30, 2018, of \$304,670 are under the allocated budget by \$17,778, or 6%.

Total budgeted transfers out of the General Fund are \$492,926, or \$41,077/month.

G/L Account Classification	FY 2018 Budget	Fiscal YTD Actual	Actual as % of Budget	% of FY Complete
740 – Operating Transfers Out	\$492,926	\$287,540	58%	58%
711 – Credit Card Fees	\$41,000	\$15,140	37%	58%
710 – Banking Charges	\$7,025	\$1,989	28%	58%
Total	\$540,951	\$304,670	56%	58%

Non-Payroll Disaster Related

Non-Payroll disaster related expenditures totaled \$1,247,073 for the seven months ended April 30, 2018. The “non-payroll disaster related” category is unbudgeted non-payroll expenditures related to Hurricane Harvey. Debris removal expenditures totaling \$1,071,817 are the most significant item within this category.

ENTERPRISE FUND

Enterprise Fund Revenues:

FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget
\$8,932,118	\$4,931,608	\$5,198,297	\$266,689

For the seven months ended April 30, 2018, the Enterprise Fund collected 58% of its total budgeted revenues and is over its allocated budget by \$266,689, or 5%.

As reflected in the following table, the revenue category causing the majority of the variance from allocated budget is other revenues, which includes \$225,671 of unbudgeted insurance proceeds related to Hurricane Harvey. If this revenue source is excluded, the Enterprise Fund is over its allocated budget by \$41,018, or 1%.

Revenue Category	FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget
Water	\$4,266,524	\$2,231,167	\$2,334,475	\$103,307
Wastewater	2,891,394	1,667,761	1,566,111	(101,650)
Solid Waste	1,683,700	982,323	966,972	(15,350)
Other	90,500	50,356	330,739	280,382
Total	\$8,932,118	\$4,931,608	\$5,198,297	\$266,689

A discussion of individual revenue categories follows the discussion of total revenues.

Sales of water makes up the largest category of revenues in the Enterprise Fund at 48% of all FY 2018 budgeted revenues, followed by charges for wastewater at 32%, and charges for solid waste at 19%.

Water Revenue

Water revenue of \$2,334,475 is above the allocated budget by \$103,307, or 5%.

Wastewater Revenue

Wastewater revenue of \$1,566,111 is under the allocated budget by \$101,650, or 6%.

Solid Waste

Solid Waste revenue of \$966,972 is below the allocated budget by \$15,350, or 2%.

Other

Other revenues of \$330,739 are over the allocated budget by \$280,382, or 557%.

As illustrated by the following table, \$225,671 of unbudgeted TML reimbursements related to Hurricane Harvey account for the majority of the variance. Additionally, the City received \$52,377 from surplus asset sales, far exceeding the budget of \$5,000. Most of the surplus asset sales relate to proceeds from the sale of meters uninstalled as part of the meter replacement project.

A discussion of individual expense categories follows the discussion of total expenses.

“Other expenses and transfers” makes up the largest category of expense in the Enterprise Fund at 32% of all FY 2018 budgeted expenses, followed by supplies, which includes water purchased from the City of Houston, at 30%. Other and transfers includes \$14,000 of budgeted operational expenses and \$2,851,436 of transfers out, including (1) \$624,000 to the General Fund to reimburse overhead expenses, (2) \$1,750,436 to the Debt Service Fund, (3) \$357,000 to the Vehicle and Equipment Replacement Fund, and (4) \$120,000 to the Capital Improvement Fund.

Salary and Benefits

Salary and benefits of \$1,005,729 are under the allocated budget by \$61,966, or 6%.

Purchased Services

Purchased services of \$881,085 are over the allocated budget by \$90,628, or 12%.

Supplies

Supplies of \$1,304,678 are under the allocated budget by \$299,837, or 19%.

Supplies includes the cost of water purchased from the City of Houston and the cost of groundwater credits the City purchases from the Harris-Galveston Subsidence District related to water the City pumps from underground. Both of the costs are contributing to the supplies expenditure being under budget.

The \$960,669 year-to-date April expense for water purchased from the City of Houston includes six months of water purchases instead of seven. Historically, October contained the expense related to water purchased in September. That caused us to do a year-end adjusting entry to accrue the expense into September, so at the end of FY 2017 we recorded the expense in September to avoid having a year-end adjustment. The payment for September water usage was \$147,184.

The budget includes \$170,770 for groundwater credits, which are typically purchased annually from the Harris-Galveston Subsidence District between November and March. The City determined it has an adequate inventory of groundwater credits on hand to forgo purchasing additional credits this fiscal year.

Supplies also includes electricity expenditures, which are a contributor to supplies being under the allocated budget. The City's primary use of electricity in the enterprise fund relates to operating the wastewater treatment plant. Over the past five years, the City has incurred an average of 56% of the full year expenditures for electricity by April 30; however, as of April 30, 2018 the City has only spent 49% of its FY 2018 \$366,800 budget. This translates into approximately \$25,676.

Other Expenses and Transfers Out

The "other expenses and transfers out" category is mainly the monthly transfers from the Enterprise Fund to (1) the General Fund, (2) the Debt Service Fund, (3) The Vehicle and

Equipment Replacement Fund, and (4) the Capital Improvement Fund. Other expenses and transfers out in the seven months ended April 30, 2018, of \$1,671,807 are under the allocated budget by \$10,004, or 1%.

Total budgeted transfers out of the Enterprise Fund are \$2,851,436, or \$237,620/month.

G/L Account Classification	FY 2018 Budget	Fiscal YTD Actual	Actual as % of Budget	% of FY Complete

Non-Payroll Disaster Related

Non-Payroll disaster related expenses totaled \$190,939 for the seven months ended April 30, 2018. The “non-payroll disaster related” category is unbudgeted non-payroll expenses related to Hurricane Harvey. The most significant expenses in this category relate to the repair of the wastewater treatment plant.

DEBT SERVICE FUND

Debt Service Fund Revenues:

FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget
\$8,984,321	\$8,177,328	\$8,162,433	(\$14,894)

For the seven months ended April 30, 2018, the Debt Service Fund collected 91% of its total budgeted revenues and is under its allocated budget by 14,894, or 0%.

Property tax makes up the largest category of revenue in the Debt Service Fund at 80% of all FY 2018 budgeted revenues, followed by transfers from the Enterprise Fund at 20%, and investment income at less than 1%.

As property taxes are the main revenue source, the January 31 property tax deadline results in revenues being concentrated in the December – April timeframe.

Property Tax

The Debt Service Fund collected \$7,136,361 of property tax revenue in the seven months ended April 30, 2018, which is under the allocated budget by \$16,665, or 0%.

FY 2018 property taxes are budgeted for \$7.2 million, an increase of \$0.9 million over FY 2017's \$6.3 million. The budgeted increase in property taxes is driven by a debt service tax rate increase of \$0.0158 per \$100 of assessed value, or 11.9%, and a 1.9% increase in taxable values.

Transfers In

Transfers from the Enterprise Fund in the amount of \$1,021,088 for the seven months ended April 30, 2018, are equal to allocated budget.

Debt Service Fund Expenditures:

FY 2018 Budget	Fiscal YTD Allocated Budget	Fiscal YTD Actual	Over/(Under) Allocated Budget
\$8,984,341	\$6,897,997	\$6,931,245	\$33,248

For the seven months ended April 30, 2018, the Debt Service Fund incurred 77% of its total budgeted expenditures and is over its allocated budget by \$33,248, or 1%.

Principal payments make up the largest category of expenditure in the Debt Service Fund at 55% of all FY 2018 budgeted expenditures, followed by interest payments at 45%. All other expenditures combined make up less than 1% of budgeted expenditures.

In April, there are annual principal payments and semi-annual interest payments due on the City's outstanding bonds, and in August there are semi-annual interest payments due. Expenditures are concentrated in April and August in accordance with the debt payment schedules. Payments in other months of fiscal agent fees and arbitrage consultants are minor.

SCOPE OF WORK

Description of Services

This section describes the standard Audio Visual services that DataVox will provide the Customer. The services are described by typical location or room.

PROJECT SPECIFIC ASSUMPTIONS AND CONSIDERATIONS:

- DataVox offers wireless video solutions to accommodate different Audio Visual application requirements, room environments and Customer request. These systems can present content, such as Microsoft® Office documents (for example, PowerPoint®, Word, and Excel®), as well as PDFs and photos, from a laptop, smartphone or tablet device. Our wireless video solutions can accommodate iPad and Android users. Although the wireless solutions may be able to pass video, it is not the recommendation of DataVox for these products to be used for motion based video. Including, but not limited to movies, Internet videos, digital camera recordings, and/or video conferencing. DataVox recommends, designs and supports wireless video solutions only with the use of static video image transmissions. By signing this document, you acknowledge that DataVox, has informed you, the Customer, of the difference in video quality you may experience when choosing wireless vs. wired video installed in your AV solution. DataVox will proceed in installing the Customer's desired choice, but both parties hereby agree that DataVox is selling wireless video "AS IS" and is not liable whatsoever if the quality of video is in question and/or future actions are requested or necessary to change the environment. Further, DataVox disclaims the implied warranties of merchantability and fitness for a particular purpose with respect to all of its products, including wireless video.
- DataVox offers Digital Signage solutions to accommodate different environment requirements. Municipal Building Project

Design based from Specification 27 41 16 Dated Febuary 2017 and Drawings T1.201, T1.202, T2.201 and T2.202. In order to achieve a better cost value solution the design intent of the documents and specifications have been taken into consideration with product substitutions and functional interpretations made to achieve a fully functional system. A full functional scope of work will be provided for approval prior to project execution.

Training

DataVox will provide one hands-on training session as coordinated with the Customer. All users of the system should be present at this training session to learn basic operation and light maintenance. Additional training sessions are available upon request at additional charge.

Out of Scope Services

The following services are outside the scope of work:

- All conduits, such as high voltage wiring panels, breakers, relays boxes, and receptacles
- Any related electrical work, including but not limited to 110VAC, conduit, core drilling, raceway and boxes

This document is confidential and the property of DataVox. Any copy or reuse of this document, its contents, recommendations and/or solutions in whole or part is strictly prohibited without prior written consent of DataVox.

- Concrete saw cutting and core drilling
- Firewall, ceiling, roof and floor penetration patching, removal or fire stopping
- Any audio visual consulting services to configure existing audio visual devices outside the audio visual devices provided within this SOW and the Audio Visual Proposal.
- Necessary sheet rock replacement and repair
- Necessary ceiling tile or T-bar modifications, replacement and repair
- Any and all millwork (for example, molding and trim). All millwork or modifications to project millwork to accommodate equipment
- Permits (unless specifically provided for in this SOW.)
- HVAC and plumbing relocation
- Rough-in, bracing, framing, or finish trim carpentry for installation
- Cutting, structural welding, or reinforcement of structural steel members required for support of assemblies, if required
- Any applicable taxes, permits, or bonds related to the project
- Unless specified in this SOW, the warranty provisions in this contract do not cover owner furnished equipment. Additionally, owner furnished equipment will not be controlled unless specifically stated in this SOW

BASELINE RESPONSIBILITIES

DataVox Responsibilities

This section lists DataVox's responsibilities for this Audio Visual proposal.

- Install all equipment according to manufacturers' specifications, national and local building codes and regulations, and will be in conformity with good engineering practices as outlined by the international Communications Industries Association (ICIA) and best practices as outlined by InfoComm.
- All equipment will be installed with provisions for the safety of the operator in accordance with the Americans with Disability Act (ADA) guidelines.
- All DataVox staff will dress in a professional manner displaying the DataVox logo, properly using any required Personal Safety Equipment. They will conduct themselves in a professional, courteous and respectful manner to all others present.
- Will maintain a clean working environment, storing tools and equipment when not in use and discarding refuse as often as reasonably possible.
- While DataVox cannot take responsibility for furniture or Customer furnished equipment in the workspace, DataVox will take reasonable precautions to protect all Customer furnished equipment, floors, walls, ceiling tiles, windows and window coverings, and furniture and other surfaces from damage, staining or unreasonable breakage while on site.
- Will notify the Customer of any hum, distortion, and RF Interference caused by the interference with the local RF environment, building structure, electrical systems, telecommunications systems, wireless RF systems which are beyond the control of DataVox, and will advise the Customer of possible remedies.
- Will appoint a Project Manager (PM) and/or Lead Technician (LT) to oversee the installation. During system implementation, please direct all communications through this designated contact.
- PM or LT will coordinate with other trades to facilitate and expedite project progress. Will inform the Customer of any contractor interference or potential delays which could impede implementation of the AV system, thereby helping to avoid any additional charges.
- Will provide written documentation of any Change Orders (CO) for work requested by the Customer which deviates from the original, approved Proposal and Scope of Works. CO's will be billed at our published labor rates plus materials, shipping, handling, restocking and other charges imposed by suppliers.
- Recommends weekly construction coordination meetings between the Customer, DataVox and all other trades in which we will report to the Customer the status of the project, any foreseeable restrictions or insurmountable issues outside our control which could impact the overall project schedule.

Customer Responsibilities

This section lists the Customer responsibilities for this Audio Visual proposal.

- **Safe Work Environment:** Provide DataVox staff, contractors and others working on-site a safe working environment. DataVox reserves the right to refuse to work or install any equipment in an area where, at the sole discretion of DataVox, the safety of those involved is of concern.
- **Access to worksite:** provide access to the worksite, and all work will take place between the hours of 07:30 and 17:00 Monday through Friday, except on public holidays, unless specified otherwise in the DataVox Proposal. Work completed at any other time will be billed at OT rates published in **Change Order Labor Rates**. For the safety of all concerned, it is requested that the work area be free and clear, for example, of other trades, clients of the Customer, and employees during the installation period.
- **Ingress/Egress from Loading Dock to Work Site:** ensure unobstructed access to the loading/unloading dock and between the dock and the worksite so that the loading/unloading of large objects such as racks, screens, and large flat panels is safe and unencumbered.
- **Secure Storage:** provide a secure, climate controlled area on-site to store equipment during the installation period. Delivery of goods, supplies and equipment to this on-site storage location, or equipment that has been installed in its designated location will be considered as 'Delivered' for billing purposes and will be invoiced accordingly. Responsibility for the equipment passes to the Customer immediately upon installation or delivery to the on-site storage. Any loss due to vandalism, theft, burglary, fire, water ingress, or any other means outside the direct control of DataVox shall be replaced at the Customer's expense.

This document is confidential and the property of DataVox. Any copy or reuse of this document, its contents, recommendations and/or solutions in whole or part is strictly prohibited without prior written consent of DataVox.

Bellaire Municipal Facilities - TIPS**DATAV-4744**

- **Uninterrupted Work Flow:** avail DataVox of continuous, uninterrupted workflow in the environment in which the AV system will be installed. Delays in work caused by interference of other trades, , inability to access the work space during the stated hours, inability to access equipment stored on site, or other reason caused by the Customer will be charged at rates published in **Change Order Labor Rates**. If DataVox crew arrives to work on-site at the appointed time and cannot work due to dangerous conditions, inability to access the site, lack of power, interference by others which are within direct, reasonable control of the Customer, it will result in a half day charge for the crew.
- **Electrical:** all installation, termination and connection of any high voltage services (greater than or equal to 70VAC). It is strongly recommended that all AV system components shall be connected to Technical Power - using the same phase of building power to all AV system points.
- **Subscription-Based Services:** any services such as Cable TV, Satellite, ISDN, High-speed internet or other network services to be provided by others. Any such services are to be delivered to the desired location and appropriately terminated as coordinated with DataVox.
- **Floor Penetrations/Coverings:** any floor coring, installation of floor box, poke-thru wire path, or other devises which require modification of the floor surface or floor covering required for the cable path. Any carpet work such as cutting, repairing or vulcanizing or re-bonding due to the use of under-the-carpet AVTrac or similar cabling system.
- **Wall Structure:** any demolition, painting, or structural modification work to be provided by the Customer unless otherwise specifically noted in DataVox proposal. All wall-mounted displays larger than 40" will require blocking and suitable plywood backing as coordinated with DataVox.
- **Wall Finish & Ceiling Tile/Ceiling Grid work:** repair and/or finish-out of any wall covering, wall finishing, painting, sealing, masonry work, etc., and any modifications to ceiling tiles or ceiling grids required as a result of installation of projector screens, lifts, speakers, cameras, mounts, etc. unless specifically provided for in the DataVox proposal.
- **Cabling Paths:** all provided cabling paths and raceways will be free, clear, dry and unobstructed. They shall be sized as recommended by NEC and InfoComm.
- **Vibration Dampening:** isolation of any unwanted vibration of building, building structure, floors, ceilings, walls or any other surface to which AV equipment is to be mounted. All mounting surfaces must be free of vibration, whether caused by pedestrian traffic, HVAC system components, Mechanical or Electrical System components or any other cause.
- **Furniture Modifications:** provide all modifications necessary to table tops, credenzas, cabinets and other furniture to accommodate the specified AV connectivity boxes, unless specified otherwise in our proposal. Also, all existing OFE furniture will have sufficient space and cooling capacity to accommodate all new AV system components. Any modifications to any of the above services required by the proposed AV system will be clearly enumerated by DataVox upon acceptance of the final proposal by the Customer. Delays in providing the above services beyond the projected start date will commensurately delay the contracted project completion date, and may incur additional charges at the rates published in **Change Order Labor Rates**.
- **Lights and Lighting Control Systems:** All lights and lighting control systems provided by others must be able to accommodate third party RS0232 control connections and protocols.
- **Drape and Shade Controls Systems:** All drape and shade controls systems provided by other must be able to accommodate third party RS-232 control connections and protocols.

TERMS AND CONDITIONS

TIPS for RFP 170306 Technology Solutions, Products and Services Agreement

1. General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as "TIPS" respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control.

The vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor's proposal. Once signed, if an awarded vendor's proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail. Other documents to be included are the awarded vendor's proposals, task orders, purchase orders and any adjustments which have been issued. If deviations are submitted to TISP by the proposing vendor as provided by and within the solicitation process, this Agreement may be amended to incorporate any agreed deviations.

The following pages will constitute the Agreement between the successful vendors(s) and TIPS. Bidders shall state, in a separate writing, and include with their proposal response, any required exceptions or deviations from these terms, conditions, and specifications. If agreed to by TIPS, they will be incorporated into the final Agreement.

2. Definitions

- **PURCHASE ORDER:** is the TIPS member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS member will be added as addendums to the PO. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some of the addendums possible.

3. Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge" or "\$0" or other similar indication.

4. Warranty Conditions

All supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be an authorized dealer, distributor or manufacturer for all products. All equipment proposed shall be new unless clearly stated in writing.

5. Customer Support

The Vendor shall provide timely and accurate customer support to TIPS members. Vendors shall respond to such requests within one (1) working day after receipt of the request. Vendor shall provide training regarding products and services supplied by the Vendor unless otherwise clearly stated in writing at the time of purchase. (Unless training is a line item sold or packaged and must be purchased with product.)

6. Agreements

- **All Agreements and agreements** between Vendors and TIPS Members shall strictly adhere to the statutes that are set forth in the Uniform Commercial Code as most recently revised.
- **Agreements for purchase** will normally be put into effect by means of a purchase order(s) executed by authorized agents of the participating government entities.
- **Davis Bacon Act** requirements will be met when Federal Funds are used for construction and/or repair of buildings.

7. Tax Exempt Status

A taxable item sold, leased, rented to, stored, used, or consumed by any of the following governmental entities is exempted from the taxes imposed by this chapter: (1) the United States; (2) an unincorporated instrumentality of the United States; (3) a corporation that is an agency or

instrumentality of the United States and is wholly owned by the United States or by another corporation wholly owned by the United States;(4) the State of Texas; (5) a Texas county, city, special district, or other political subdivision; or (6) a state, or a governmental unit of a state that borders Texas, but only to the extent that the other state or governmental unit exempts or does not impose a tax on similar sales of items to this state or a political subdivision of this state. Texas Tax Code § 151.309.

8. Assignments of Agreements

No assignment of Agreement may be made without the prior written approval of TIPS. Payment can only be made to the awarded Vendor or vendor assigned dealer.

9. Disclosures

1. Vendor affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
2. Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with participants in the TIPS program.
3. The vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

10. Renewal of Agreements

The Agreement with TIPS is for one (1) year with an option for renewal for additional consecutive years as provided in the solicitation. Total term of Agreement can be up to the number of years provided in the solicitation, if sales are reported through the Agreement and both parties agree.

11. Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause with which the TIPS member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS member shall only be valid and enforceable when the vendor receives written confirmation by purchase order or executed Agreement issued by the TIPS member for any renewal period. The purpose of this clause is to avoid a TIPS member inadvertently renewing an Agreement during a period in which the governing body of the TIPS member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

12. Shipments

The Vendor shall ship ordered products within a commercially reasonable time after the receipt of the order. If a product cannot be shipped within that time, the Vendor shall notify TIPS and the requesting entity as to why the product has not shipped and shall provide an estimated shipping date, if applicable. TIPS or the requesting entity may cancel the order if estimated shipping time is not acceptable.

13. Invoices

The Vendor or vendor assigned dealer shall submit invoices, to the TIPS participant. Each invoice shall include the TIPS participant's purchase order number. The shipment tracking number or pertinent information for verification of TIPS participant receipt shall be made available upon request. The Vendor or vendor assigned dealer shall not invoice for partial shipments unless agreed to in writing in advance by TIPS and the TIPS participant.

14. Payments

The TIPS participant will make payments directly to the Vendor or vendor assigned dealer at net 30 days after receiving invoice.

15. Pricing

The Vendor agrees to provide pricing to TIPS and its participating governmental entities that is at least equal to the lowest pricing available to like cooperative purchasing TIPS Members and the pricing shall remain so throughout the duration of the Agreement. The Vendor agrees to promptly lower the cost of any product purchased through TIPS following a reduction in the manufacturer or publisher's direct cost to the Vendor. Price increases will be honored according to the terms of the solicitation. However, the Vendor shall honor previous prices for thirty

Bellaire Municipal Facilities - TIPS**DATAV-4744**

(30) days after written notification to TIPS of an increase. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member. Failure to render the participation fee to TIPS shall constitute a breach of this agreement and shall be grounds for termination of this agreement and any other agreement held with TIPS.

16. Participation Fees

Vendor or vendor assigned dealer Agreements to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report. Vendor must login to the TIPS database and use the "Submission Report" section to report sales. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement. Failure to pay the participation fee will result in termination of Agreement. Please contact TIPS at tips@tipsusa.com or call (866) 839-8477 if you have questions about paying fees.

17. Indemnity

1. **Indemnity for Personality Agreements.** Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS member(s), officers and employees, from and against all claims and suits for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and attorney's fees, arising out of, or resulting from, Vendor's performance of this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, invitees.
2. **Indemnity for Performance Agreements.** The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS member(s), officers and employees from and against all claims and suits for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and attorney's fees, arising out of, or resulting from, Vendor's work under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Vendor further agrees to indemnify and hold harmless and defend TIPS, TIPS member(s), officers and employees, from and against all claims and suits for injuries (including death) to an officer, employee, agent, subcontractors, supplier or equipment lessee of the Vendor, arising out of, or resulting from, Vendor's work under this Agreement.

18. Attorney's Fees-Texas Local Government Code § 271.159 is expressly referenced

Pursuant to §271.159, TEXAS LOC. GOV'T CODE, in the event that any one of the Parties is required to obtain the services of an attorney to enforce this Agreement, the prevailing party, in addition to other remedies available, shall be entitled to recover reasonable attorney's fees and costs of court.

9. Multiple Vendor Awards

TIPS reserves the right to award multiple vendor Agreements for categories when deemed in the best interest of the TIPS membership. Bidders scoring the RFP's specified percentage or above will be considered for an award. Categories are established at the discretion of TIPS.

20. State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

21. Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS participants will submit any orders at any time. TIPS reserves the right to request additional proposals for items already on Agreement at any time.

22. Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order occurs, TIPS is to be notified within 48 hours of receipt of order.

23. Termination for Convenience

TIPS has the right to terminate the agreement for cause or no cause for convenience with a thirty-day written notice. Termination for convenience is required under 2 CFR part 200.

24. TIPS Member Purchasing Procedures

This document is confidential and the property of DataVox. Any copy or reuse of this document, its contents, recommendations and/or solutions in whole or part is strictly prohibited without prior written consent of DataVox.

Bellaire Municipal Facilities - TIPS**DATAV-4744**

Purchase orders or their equal are issued by participating TIPS member to the awarded vendor

indicating on the PO "Agreement Number". Order is emailed to TIPS at tipspo@tips-usa.com.

- Awarded vendor delivers goods/services directly to the participating member.
- Awarded vendor invoices the participating TIPS member directly.
- Awarded vendor receives payment directly from the participating member.
- Awarded vendor reports sales monthly to TIPS (unless prior arrangements have been made with TIPS to report monthly).

25. Form of Agreement

If a vendor submitting an offer requires TIPS and/or TIPS Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal. In response to submitted supplemental Vendor Agreement documents, TIPS will review proposed vendor Agreement documents. Vendor's Agreement document shall not become part of TIPS's Agreement with vendor unless and until an authorized representative of TIPS reviews and approves it.

26. Licenses

Awarded vendor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded vendor. Awarded vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Agreement. TIPS reserves the right to stop work and/or cancel Agreement of any awarded vendor whose license(s) expire, lapse, are suspended or terminated.

27. Novation

If awarded vendor sells or transfers all assets or the entire portion of the assets used to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. TIPS reserves the right to accept or reject any new party. A simple change of name agreement will not change the Agreement obligations of awarded vendor.

28. Site Requirements (when applicable to service or job)

Cleanup: Awarded vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition. Preparation: Awarded vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements. Registered sex offender restrictions: For work to be performed at schools, awarded vendor agrees that no employee of a sub-contractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or reasonably expected to be present.

Awarded vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member's discretion. Awarded vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. Safety measures: Awarded vendor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Awarded vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

29. Smoking

Persons working under Agreement shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

30. Invoices

The awarded vendor shall submit invoices to the participating entity clearly stating: "Per TIPS Agreement". The shipment tracking number or pertinent information for verification shall be made available upon request.

31. Supplemental Agreements

The entity participating in the TIPS Agreement and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this Agreement i.e. invoice requirements, ordering requirements,

specialized delivery, etc. Any supplemental agreement developed as a result of this Agreement is exclusively between the participating entity and awarded vendor. TIPS, its agents, TIPS members and employees shall not be made party to any claim for breach of such agreement.

32. Survival Clause

All applicable software license agreements, warranties or service agreements that were entered into between Vendor and TIPS Member under the terms and conditions of the Agreement shall survive the expiration or termination of the Agreement. All Purchase Orders issued and accepted by Order Fulfiller shall survive expiration or termination of the Agreement.

33. Legal Obligations

It is the responding vendor's responsibility to be aware of and comply with all local, state and federal laws governing the sale of products/services identified in this RFP and any awarded Agreement thereof. Applicable laws and regulations must be followed even if not specifically identified herein.

34. Audit Rights

Awarded Vendor shall, at their sole expense, maintain appropriate due diligence of all purchases made by TIPS Member that utilizes this Agreement. TIPS and Region 8 ESC each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. TIPS shall have authority to conduct random audits of Awarded Vendor's pricing that is offered to TIPS Members. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 8 ESC or TIPS.

35. Force Majeure

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and fully particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

36. Services

When applicable, performance bonds and payment bonds will be required on construction or labor required jobs. Awarded vendor will meet the TIPS member's local and state purchasing requirements. Awarded vendors may need to provide additional capacity as jobs increase. Bonds will not require that a fee be paid to TIPS. The actual cost of the bond will be a pass through to the TIPS member and added to the purchase order or Agreement.

37. Scopes of Services

The specific scope of work for each job shall be determined in advance and in writing between TIPS Member and Awarded vendor. It is okay if the TIPS member provides a general scope, but the awarded vendor should provide a written scope of work to the TIPS member as part of the proposal. Once the scope of the job is agreed to, the TIPS member will issue a PO and/or an Agreement with the estimate referenced as an attachment along with bond and any other special provisions agreed to for the TIPS member. If special terms and conditions other than those covered within this solicitation and awarded Agreements are required, they will be attached to the PO and shall take precedence over those in the base Agreement.

38. Project Delivery Order Procedures

The TIPS member having approved and signed an interlocal agreement, or other TIPS membership document, may make a request of the awarded vendor under this Agreement when the TIPS member has services that need to be undertaken. Notification may occur via phone, the web, email, fax, or in person. Upon notification of a pending request, the awarded vendor shall make contact with the TIPS member as soon as possible, but must make contact with the TIPS member within two working days.

39. Scheduling of Projects

Scheduling of projects (if applicable) will be accomplished when the TIPS member issues a purchase order that will serve as "the notice to proceed". The period for the delivery order will include the mobilization, materials purchase, installation and delivery, design, weather, and site

cleanup and inspection. No additional claims may be made for delays as a result of these items. When the tasks have been completed the awarded vendor shall notify the client and have the TIPS member inspect the work for acceptance under the scope and terms in the PO. The TIPS member will issue in writing any corrective actions that are required. Upon completion of these items, the TIPS member will issue a completion notice and final payment will be issued.

40. Support Requirements

If there is a dispute between the awarded vendor and TIPS member, TIPS or its representatives will assist in conflict resolution or third party (mandatory mediation), if requested by either party. TIPS, or its representatives, reserves the right to inspect any project and audit the awarded vendors TIPS project files, documentation and correspondence.

41. Incorporation of Solicitation

The TIPS Request for Proposals or the Request for Competitive Sealed Proposals solicitation and all associated documents and forms made part of the solicitation process, including any addenda, that resulted in the execution of this agreement are hereby incorporated by reference into this agreement as if copied verbatim.

Vendor Supplemental Agreement**42. Changes**

The TIPS Member may, by written notice to Vendor, make changes within the general scope of this SOW, in any one or more of the following: (a) drawings, designs, or specifications; (b) project schedule, or (c) scope of services. Within 24 hours of receipt of request for change, Vendor will respond in writing indicating any increase in cost of or time required for performance of the SOW. No changes will be performed until the TIPS Member confirms that they accept cost or time changes.

Should any such changes increase the cost of or the time required for the performance of this SOW, an equitable adjustment may be requested by Vendor in the price, project schedule or both. Every claim must be accompanied by a detailed estimate of charges for materials, services, or both. Nothing contained in this section shall relieve Vendor from proceeding without delay in the performance of the services as changed. Any change to this SOW shall be made by written amendment signed by both parties.

Changes that will impact the scheduling of project resources must be submitted to Vendor at least two (2) weeks prior to the scheduled event. Failure to provide timely notification of a change in schedule that will cause a rescheduling of project resources WILL incur additional charges (For example, if a TIPS Member cancels a scheduled Vendor project activity less than two (2) weeks before the scheduled event, the TIPS Member will be billed at the prevailing rate for the time the Vendor resources were scheduled to perform the activities.)

43. Work Hours

Vendor has priced the professional service proposal assuming that all work will be done during normal business hours which Vendor defines as Monday through Friday, 8:00am to 5:00pm, excluding holidays. The go live activity is the only activity in which Vendor will work after business hours. This project milestone activity can be scheduled outside of normal business hours Monday through Friday, excluding holidays. The start time for the go live activity can be scheduled to start no later than 7:00pm. Any request to perform the system go live or any other activity outside of normal business hours is considered outside the scope of work and will result in additional project costs. Scheduling and availability of resources outside of normal business hours is not guaranteed unless the Project Manager/Coordinator has approved it.

This document is confidential and the property of DataVox. Any copy or reuse of this document, its contents, recommendations and/or solutions in whole or part is strictly prohibited without prior written consent of DataVox.
